VOTE OF THANKS

“Gratitude is the fairest blossom which springs from the soul”

Every celebration is an experience, the external fades away, and the internal lingers and echoes in the most depth of our hearts. We are reminded that jubilees are milestones on the journey of life and reminders of God’s fidelity all through.

Today our hearts are filled with Gratitude and joy that overflows within us as we recall the path, Sr. Glory have travelled, in these 25 years in our Institute. We thank the Almighty for accompanying her in marvelous ways, all through these years and keeping her safe, healthy and productive in His vineyard. She experienced the hand of God in joys sorrows, in good time and in had times. She has served the Lord in the best way possible keeping the charism of the Institute. She by her very life tried to spread the fragrants of God’s Love, Compassion, Mercy, Joy and healing to people in India, Italy and here in Nazareth too. Thank you dear Sr. Glory for your committed life, committed service, above all your fidelity to your God who called you by name.

Love includes every one and excludes none. So we thank in a very special way our direction, administers, doctors, staff and all the employees of our hospital, for the cooperation, support, collaboration, understanding which we receive always. I am proud to say that we work as a team, with a family spirit. A big thanks to all.

Our special thanks to our choir, they are the hospital employees, and they take great pain to come together after the duty hours to have their singing practice. It shows their commitment, spirit of sacrifice, devotion, but above all their love for the institution for which they work. It is said the one who sings, prays twice. Yes your melodious singing raised our hearts to God and I am sure, Sr. Glory felt that, as if she is in the heaven, with the choirs of angels.
